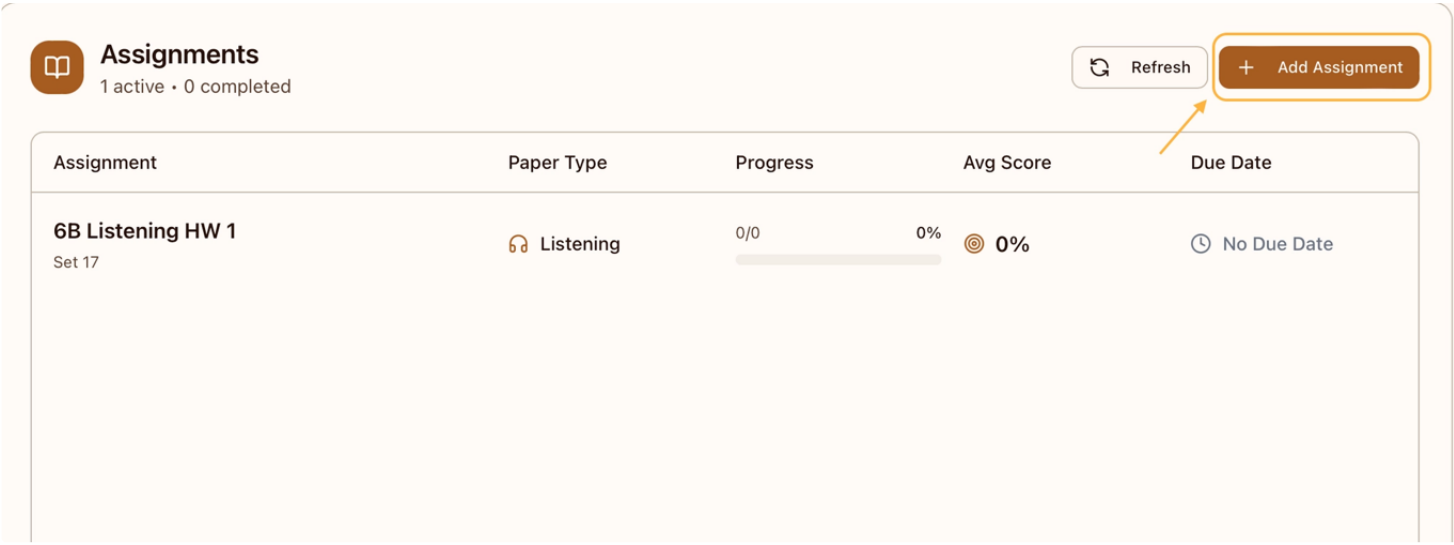
Creating Assignments

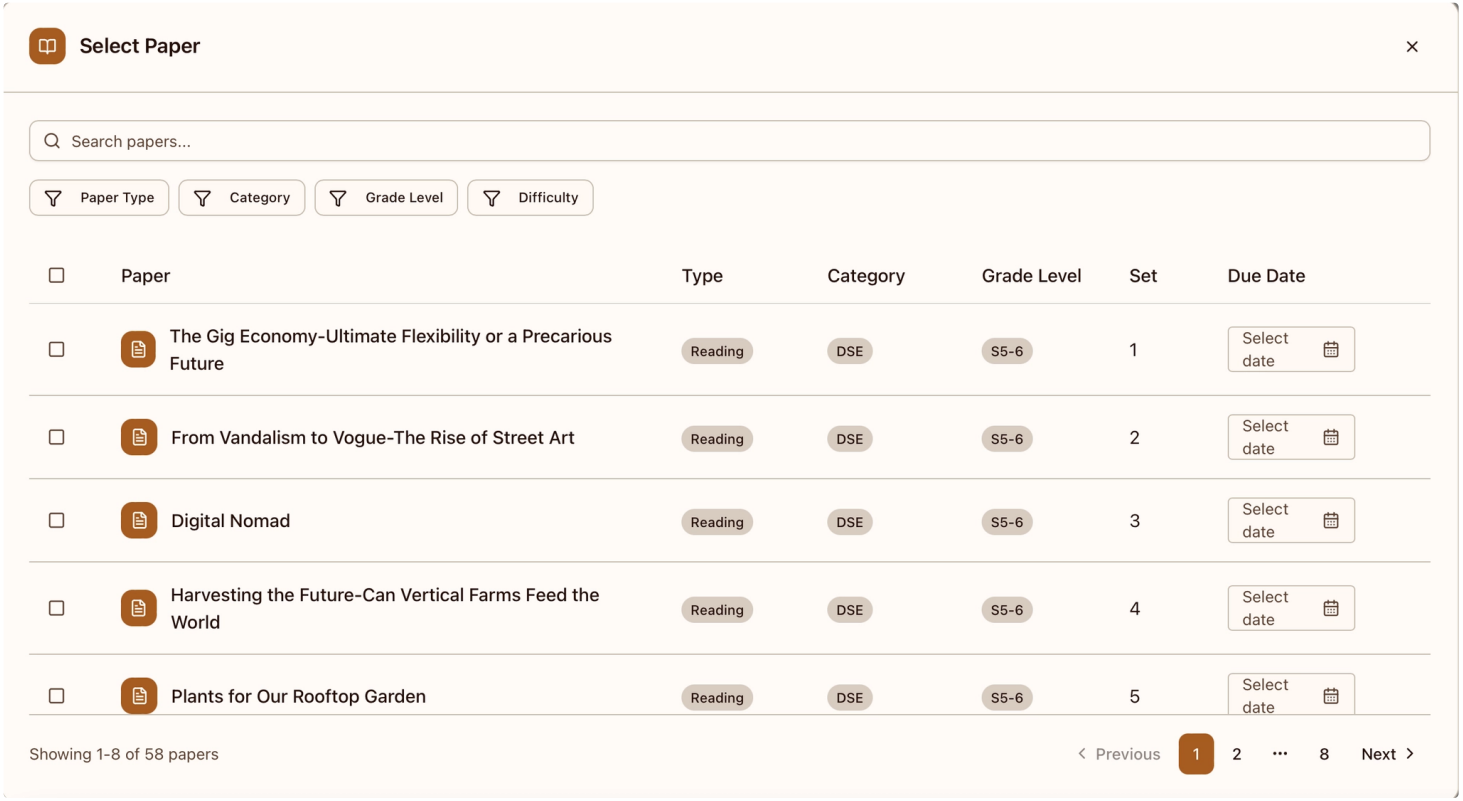
1. Open the classroom where you want to assign the assignment.
2. Click “Add Assignment”



3. **Choose Papers**

Select the papers you want to assign.

- You can **filter** by **paper type**, **category**, **grade level**, and **difficulty**.
- You can assign **multiple papers** at once.

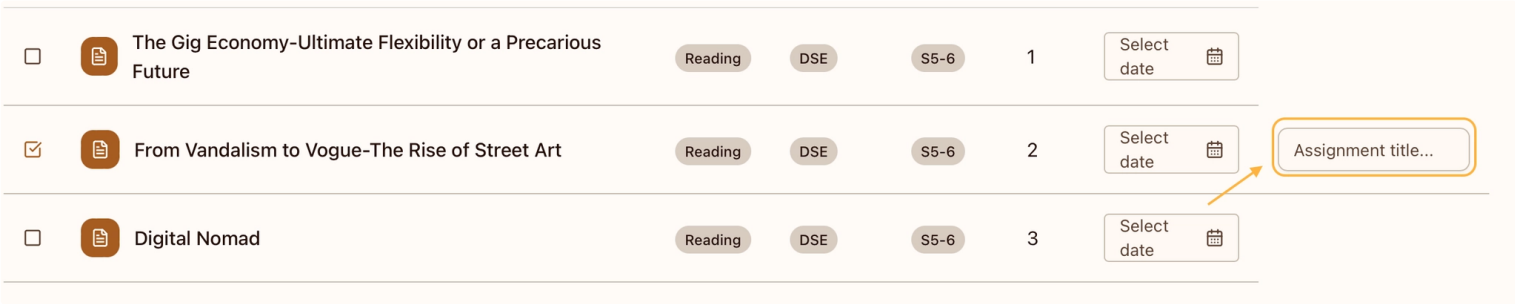


4. **Set the Due Date**

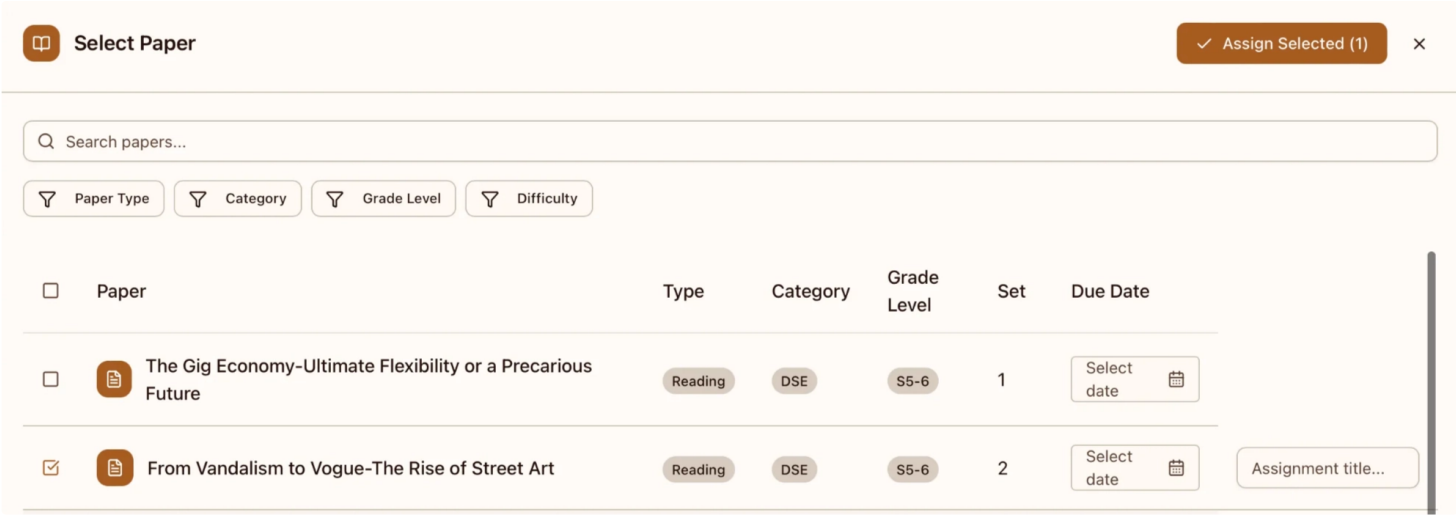
Choose the submission deadline for your students.

5. **Enter Assignment Title**

Type the title that students will see in their accounts.



6. **Confirm your selections to assign the papers and Click "Assign Selected"**



7. **Assignment Created!** 🎉
