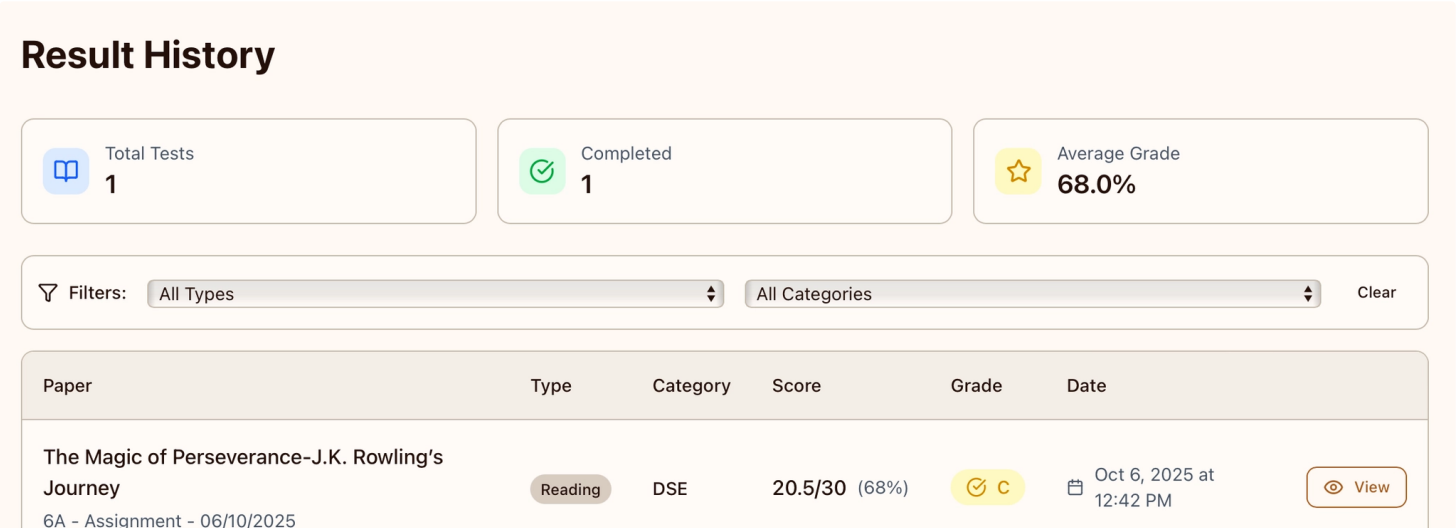
Check Your Progress & History

1. Go to “Result History”



2. **View Your Overall Performance**

   See your total tests, completed tests, and your average grade at a glance.

3. **Review Past Assignments**

   Click the "**View"** button next to any paper or assignment to revisit your submitted work.

   You'll be able to see your **graded answers**, **scores**, and other details from your past attempts.

💡 You can always keep track of everything in one place on your **Dashboard**! 🎯

You can quickly see what's new — like **announcements** or **assignments** — plus check your **score trends**, **performance insights**, and **past results** all at a glance.
