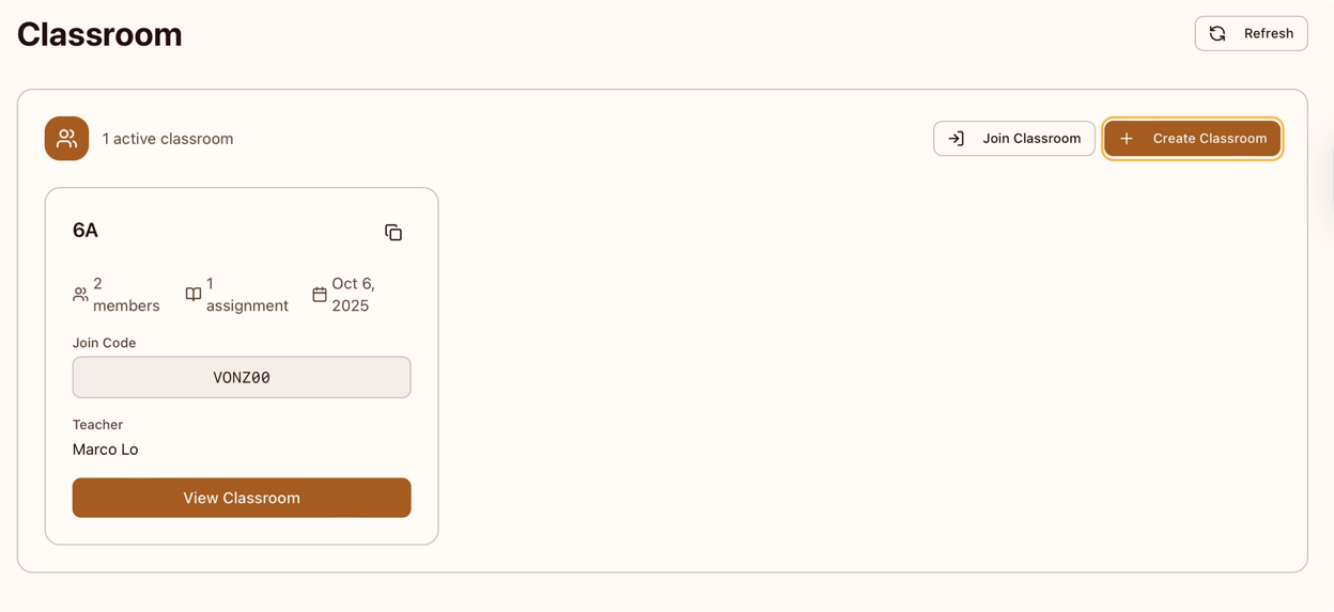
Creating a New Classroom

1. **Go to “Classroom”**

Click Classroom from the left sidebar.

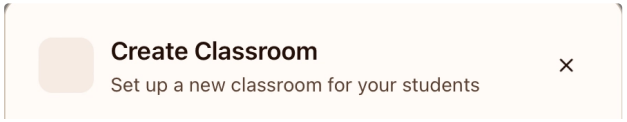
2. **Click “Create Classroom”**

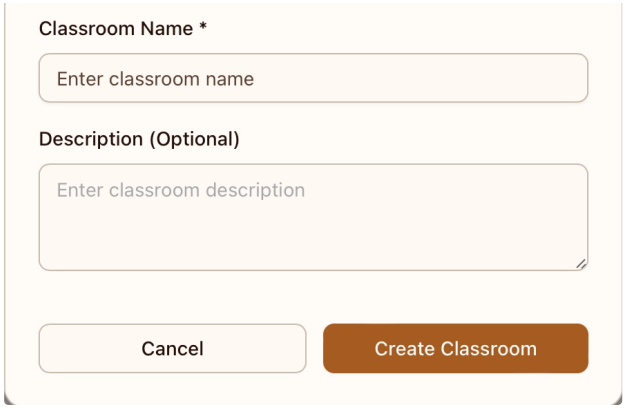
On the top right corner, select Create Classroom.



3. **Enter Classroom Details**

Type the classroom name and, optionally, a description.



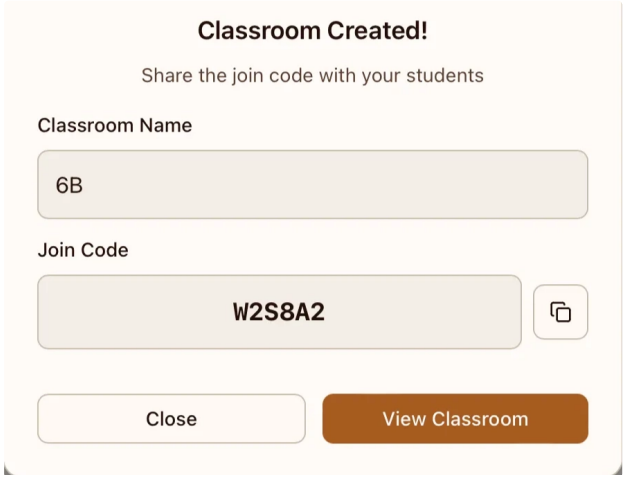


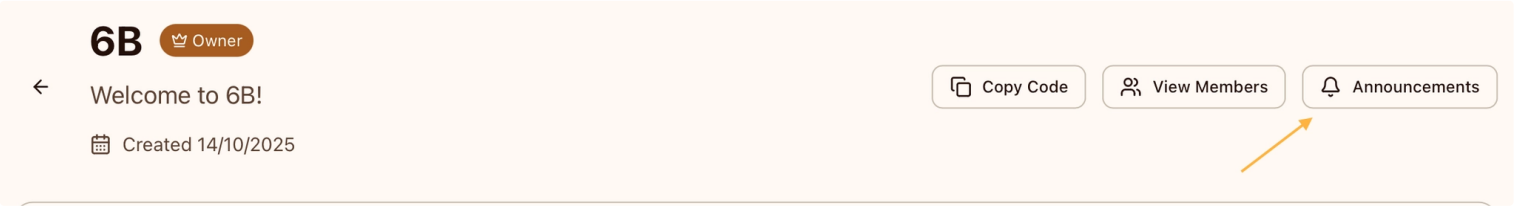
4. **Confirm Creation**

Click Create Classroom. Your classroom will be created instantly.

5. **Share the Join Code**

Copy the join code and share it with your students so they can join.





💡 You can post announcements to your students in the classroom anytime to keep them updated and engaged!
