Student-Led Practice

Best For:

- Study leave practice
- Extra voluntary training
- Peer-organised sessions

Step 1: Student Creates Room

1. Log in to https://meet.sayo.ai
2. Click **Create Room**

3. Select discussion topic

Step 2: Invite Peers

1. Click **Share Link**
2. Send to 3 classmates
3. All 4 students join

Step 3: Discussion Flow

The process is identical to Teacher-Led mode:

- Preparation room
- Timed group discussion
- AI report generated after session

Teacher Review of Student-Led Sessions

Teachers may:

- Request students to submit AI reports
- Request recording links
- Review performance and provide feedback
