📘 Sayo Group Discussion Live 💬

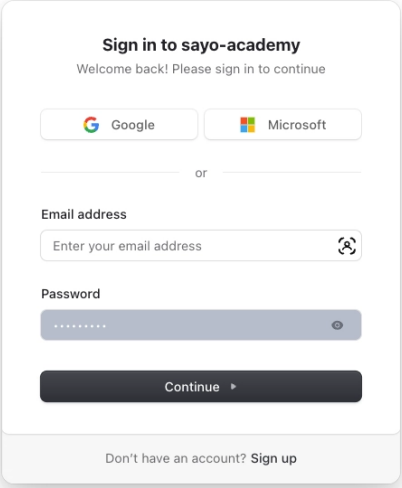
Sayo Group Discussion Live is an online platform where **groups of 4 students** can practice DSE-style group discussions in real time. Each session includes:

- **Live video** — cameras on for natural interaction
- **AI-powered reports** — instant performance feedback after each session
- **Full recording** — teachers can review and provide personalized feedback

Getting Started

1. Go to https://meet.sayo.ai/

2. Sign in using your Google or Microsoft SSO (single sign on)



Practice Modes User Manual

Sayo Live supports structured DSE Group Discussion practice through two modes:

👩🏻‍🏫 Teacher-Led Practice

👨🏻‍🎓 Student-Led Practice

Both modes follow authentic DSE timing and discussion flow.

📊 Reviewing Your Performance

📷 Camera & Recording Guidelines

Camera Use

- Cameras are strongly recommended
- AI evaluates eye contact and engagement
- Camera use remains optional

Recording Policy

- All sessions are recorded
- Recordings are available for review
- Sayo is not responsible for redistribution of recordings

If privacy is a concern, schools are encouraged to:

- Use Teacher-Led mode
- Set clear behavioural expectations for students
